Dharshi Kulasekera, Mondo Head Chef, has been cooking up a storm since Mondo's opened its doors in 1995. Locals know him by smile; others remember him quickly for the many exotic flavours he creates - many of which are still as popular today as they were years ago. Dharshi's famous fajitas, rendang & chicken sates have set tongues wagging & bragging but don't expect to find these taste sensations anywhere else about town. The flavours, he says, are descendents of his Grandmother's recipes - what goes in the wok, stays in the wok!
